

CUT ABOVE TO NOURISH HAIR. CUT BELOW TO NOURISH LIFE.

As you cut across the dotted line below, you usher in a ray of hope for millions of children in the country. Children who are marginalised. Who are without any prospect of a future. And you can make a difference. That's because every coupon that reaches us along with your donation helps us help these children. So while you make a simple contribution, the difference you make in millions of lives is overwhelming.

We are ActionAid. For over 3 decades our work in the country has helped over 75 million children and their communities. Over the years we have garnered the love and support from a wide array of people from different walks of life united by our cause to alleviate poverty. At ActionAid we know, it is not enough to educate a child or provide aid for children for short spells of time. We need to secure a child's future by creating educated and empowered communities. Internationally we help children in over 40 countries to fight poverty. In Europe alone there are over half a million individual donors, 53,000 of whom support children in India alone.

Join us in the movement to create a better world. All you have to do is go along the dotted line. And help a little kid cross over into a new world.

Karm Mitra, an exclusive donor membership programme, launched by us aims at bringing together like-minded socially responsible individuals who believe in philanthropy for social justice.
